A reminder to bring the following items from home:

Guys: *Plain white* undershirt, black socks, black dress shoes

Ladies: Black nylons, black closed-toe dress shoes (flats preferred)

Other items to consider:

- We do need to change into our tuxes/gowns before we leave, and will not get out of them until we get back. This is a request from Johnston High School, as they do not have the space to offer changing rooms for the 22 bands that will be there.
- All students will eat during their normal lunch time, and will come down to the band room after that.
- Admission is free and open to the public
- Percussion needs to bring their own sticks/mallets/toys/snare drum/toms, but all large percussion equipment will be there.
- This is a brand new event to the state of Iowa; there are bound to be a few kinks that will get ironed out throughout the day. Be ready to be flexible and patient!
- Johnston's new high school is beautiful. Feel free to gawk (respectfully).
- There will be bands from all across the state attending this event. Represent Saydel in the best possible way by continuing to act like mature young adults while we are in public. Santa's always watching!
